- 3) Since 2001, India has relied upon development projects and other forms of humanitarian assistance
 - a) 1, 2
 - b) 1, 3
 - c) 2, 3
 - d) None

Explanation

After the Taliban consolidated their hold on Afghanistan in the mid-1990s, India struggled to maintain its presence and to support anti-Taliban forces. However, Indian objectives in Afghanistan remained modest given the constrained environment. India aimed to undermine the ability of the Taliban to consolidate its power in Afghanistan, principally by supporting the Northern Alliance in tandem with other regional actors. Working with Iran, Russia, and Tajikistan, India provided important resources to the Northern Alliance, the only meaningful challenge to the Taliban in Afghanistan. Since 2001, India has relied upon development projects and other forms of humanitarian assistance.

8. When did India proposed Afghanistan's membership in SAARC?

- a) 2012
- b) 2005
- c) 2017
- d) 2015

Explanation

In 2005, India proposed Afghanistan's membership in SAARC and in April 3, 2007 it joined. India and Pakistan competition in Afghanistan is seen as a new "Great Game".

9. Assertion(A): Afghan is India's natural ally.

Reason(R): India is interested in retaining Afghanistan as a friendly state from which it has the capacity to monitor Pakistan and cultivate assets to influence activities in Pakistan.

- a) Both (A) and (R) are correct, but (R) does not explain (A)
- b) Both (A) and (R) are wrong
- c) Both (A) and (R) are correct and (R) explains (A)
- d) (A) is Correct and (R) is wrong

Explanation

Afghan is India's natural ally. India is interested in retaining Afghanistan as a friendly state from which it has the capacity to monitor Pakistan and cultivate assets to influence activities in Pakistan. While India is keenly interested in cultivating a significant partnership with Afghanistan, Pakistan is trying to deny India such opportunities. India's interest in Afghan is more than just Pakistan-centric and reflects its aspiration to be seen as a regional power. Islamic fundamentalism in Pakistan and Afghanistan has dangerous effects in the domestic social fabric of India.

10. What much of amount India invested in Afghan?

- a) US \$3bn
- b) US \$13bn
- c) US \$5bn
- d) US \$1bn

Explanation

 - 3) Harkat-ul-Jihad-al-Islami
 - 4) Harkat-ul-Mujahideen
- a) 1, 3, 4
 - b) 2, 3, 4
 - c) 1, 2, 3
 - d) All the above

Explanation

India faced many security challenges from the Taliban in Afghan during the 1990s. Pakistan has raised and supported several militant groups such as Lashkar-e-Taiba, Harkat-ul-Mujahideen/Harkatul-Ansar, and Harkat-ul-Jihad-al-Islami among others, which operate in India. All of these groups have trained in Afghanistan, with varying proximity to the Taliban and by extension Al-Qaeda. Thus, India is absolutely clear that Afghanistan should not again become a terrorist safe haven. Radical ideologies and terrorism spreading in this region are a security threat for India.

16. Which of the following statement is correct?

- 1) With Pakistan increasing its strategic depth in Afghanistan, it can reverse the gain of India.
 - 2) Islamic State is using Afghan as an outpost in Asia as it has come under stress in Iraq and Syria
 - 3) Pakistan can incubate and move around various anti-India groups in Afghan especially in Loya Paktia
- a) 1, 2
 - b) 1, 3

- c) 2, 3
- d) All the above

Explanation

With Pakistan increasing its strategic depth in Afghanistan, it can reverse the gain of India. Pakistan can incubate and move around various anti-India groups in Afghan especially in Loya Paktia. The golden crescent comprising of Iran, Afghan, and Pakistan is a worry for India, especially with respect to the issue of drug abuse in Punjab. Islamic State is using Afghan as an outpost in Asia as it has come under stress in Iraq and Syria.

17. Assertion(A): In 2011, India became the first country that Afghanistan signed a strategic partnership agreement.

Reason(R): India was following the US demand of India's limited cooperation with Afghanistan before 2011

- a) Both (A) and (R) are correct, but (R) does not explain (A)
- b) Both (A) and (R) are wrong
- c) Both (A) and (R) are correct and (R) explains (A)
- d) (A) is Correct and (R) is wrong

Explanation

In 2011, India became the first country that Afghanistan signed a strategic partnership agreement. Until then, India was following the US demand of India's limited cooperation with Afghanistan. India has repeatedly stressed that its relationship with Afghanistan is independent of Pakistan.

18. Which of the following statement is correct?

- 1) India argues that the tripartite relationship between India, Pakistan, and Afghanistan is mutually dependent
 - 2) In both the 1965 and 1971 wars, Afghanistan was non-committal and did not support India
 - 3) In Kashmir issue, Afghanistan has not publicly supported India
- a) 1, 2
 - b) 1, 3
 - c) 2, 3
 - d) All the above

Explanation

India argues that the tripartite relationship between India, Pakistan, and Afghanistan is mutually independent. In both the 1965 and 1971 wars, Afghanistan was non-committal and did not support

India. On the Kashmir issue, Afghanistan has not publicly supported India. India has not entered the debate on the Durand Line.

19. Which of the following statement is incorrect?

- 1) India also realises that stability can result in Afghanistan only if all the major actors and countries have a stake in its stability, growth and prosperity.
 - 2) India has been championing efforts to attract regional and trans-regional investment into Afghanistan and offers job opportunities to its population by pioneering events like the Delhi Investment Summit on Afghanistan in June 2003
- a) 1 alone
 - b) 2 alone**
 - c) 1, 2
 - d) None

Explanation

India also realises that stability can result in Afghanistan only if all the major actors and countries have a stake in its stability, growth and prosperity. India has been championing efforts to attract regional and trans-regional investment into Afghanistan that provides a viable alternative to the dominant narrative of extremism and offers job opportunities to its population by pioneering events like the Delhi Investment Summit on Afghanistan in June 2012. Recognising that the region holds the key to peace in Afghanistan, India is spearheading commercial confidence building measures in the region within the purview of the Heart of Asia Process.

20. Which of the following trilateral treaty with Afghanistan by India is correct?

- 1) Afghanistan-India-US
 - 2) Afghanistan-India-Pakistan
 - 3) Afghanistan-India-Iran
- a) 1, 2
 - b) 1, 3**
 - c) 2, 3
 - d) All the above

Explanation

Multilaterally, it helped initiate a dialogue on Afghanistan through various platforms like the Afghanistan-India-US trilateral and the Afghanistan-India-Iran trilateral that seek to bring together international partners with disparate worldviews in pursuit of the common goal of securing peace and prosperity in Afghanistan.

24. Which of the following statement is correct?

- 1) India's developmental approach has earned it immense goodwill among the Afghan people
- 2) India is in the dilemma between continued soft-power or to aggressively push its hard power

- 3) India's principled position that it will not directly or publicly talk to the Taliban until it engages the Afghan government
- a) 1, 2
 - b) 1, 3
 - c) 2, 3
 - d) All the above

Explanation

India's developmental approach has earned it immense goodwill among the Afghan people. However, the "soft power" strategy has limitations. Thus, India is in the dilemma between continued soft-power or to aggressively push its hard power. While India's principled position that it will not directly or publicly talk to the Taliban until it engages the Afghan government, it is necessary that India stays abreast of all negotiations and isn't cut out of the resolution process.

 - a) 1, 2
 - b) 1, 3
 - c) 2, 3
 - d) All the above

Explanation

The United Nations recommended holding a plebiscite to settle the question of whether the state would join India or Pakistan. However, the two countries could not agree to a deal to demilitarise the region before the referendum could be held. In July 1949, India and Pakistan signed an agreement to establish a ceasefire line as recommended by the UN and the region became divided.

31. When did second war declared between India and Pakistan?

- a) 1965
- b) 1971
- c) 1997
- d) 1975

Explanation

A second war followed in 1965. The only declared war between Pakistan and India was in 1971, rest of the wars were more related to the border skirmish and not a declared battle. What is more, since the time both nations got their freedom, they have always been assuring each other that both stood for peace and not for war.

- a) 1, 2**
 - b) 1, 3
 - c) 2, 3
 - d) All the above

Explanation

The Shimla Agreement was signed between India and Pakistan on 2 July 1972 in Shimla, the capital city of the Indian state Himachal Pradesh. It followed the Bangladesh Liberation war in 1971 that led to the independence of Bangladesh, which was earlier known as East Pakistan and was part of the territory of Pakistan. India entered the war as an ally of Bangladesh which transformed the war into an Indo-Pakistan War of 1971. The agreement was ratified by the Parliaments of both the nations in same year. The treaty was signed in Shimla by Zulfikar Ali Bhutto, the President of Pakistan, and Indira Gandhi, the Prime Minister of India. The agreement also paved the way for diplomatic recognition of Bangladesh by Pakistan.

34. Which of the following are the Today's question of India – Pakistan relations revolves?

- 1) Kashmir
- 2) Terrorism
- 3) Economic relations

- a) 1, 2**

- b) 1, 3
- c) 2, 3
- d) All the above

Explanation

Today the question of India – Pakistan relations revolves around three major issues; Kashmir, Terrorism and Economic relations. While, each of these aspects are interlinked, it is important to understand by itself these issues are a major concern for the peace of South Asia. Having not been able to take over Kashmir, and also having lost East Pakistan (now called Bangladesh) due to India's intervention in 1971, Pakistan is keen in destabilising India by supporting terrorism.

38. Which of the following statement is correct?

- 1) The use of the water from rivers that rise in Kashmir and run into the Indus river basin is governed by the 1970 Indus Water Treaty.
- 2) India was granted the use of water from three eastern rivers, and Pakistan the use of three western rivers
- 3) Pakistan says India is unfairly diverting water with the upstream construction of barrages and dams
 - a) 1, 2
 - b) 1, 3
 - c) 2, 3
 - d) All the above

Explanation

The two countries disagree over use of the water flowing down rivers that rise in Kashmir and run into the Indus river basin which goes to Pakistan. The use of the water is governed by the 1960 Indus Water Treaty under which India was granted the use of water from three eastern rivers, and

Pakistan the use of three western rivers. Pakistan says India is unfairly diverting water with the upstream construction of barrages and dams. India denies the charge.

39. Where does the Sir Creek is located?

- a) **Rann of Kutch**
- b) Rann of Kambhat
- c) Gulf of mannar
- d) None of the above

Explanation

Kashmir and Siachen aren't the only issues the two nuclear powers of South Asia lock horns. Sir Creek is another major issue that's been waiting for a resolution for over 70 years. Sir Creek is a 96-km strip of water disputed between India and Pakistan in the Rann of Kutch marshlands.

40. Which of the following statement about Sir Creek is correct?

- 1) Originally named Ban Ganga, Sir Creek is named after a British representative.
 - 2) The dispute lies in the interpretation of the maritime boundary line between Kutch and Sindh
 - 3) Before India's independence, the provincial region was a part of Portuguese
- a) **1, 2**
 - b) 1, 3
 - c) 2, 3
 - d) All the above

Explanation

Originally named Ban Ganga, Sir Creek is named after a British representative. The Creek opens up in the Arabian Sea and roughly divides the Kutch region of Gujarat from the Sindh Province of Pakistan. The dispute lies in the interpretation of the maritime boundary line between Kutch and Sindh. Before India's independence, the provincial region was a part of the Bombay Presidency of British India. But after India's independence in 1947, Sindh became a part of Pakistan while Kutch remained a part of India. Apart from its strategic location, Sir Creek's core importance is fishing resources. Sir Creek is considered to be among the locking horns over the presence of great oil and gas concentration under the sea, which are currently unexploited.

41. Match the Sir Creek disputes with their respective year:

- | | |
|-------------|---|
| I. 1965 | 1. Joint Survey by India and Pakistan |

- a) 4, 2, 3, 1
- b) 3, 1, 4, 2
- c) 3, 1, 2, 4
- d) 3, 4, 1, 2

Explanation

A CENTURY-OLD DISPUTE		
1908 • Dispute arises between the Rao (ruler) of Kutch and the Sindh government over the collection of firewood from the creek area		2005-2007 • Two rounds of joint surveys of Sir Creek carried out by a joint India-Pakistan team.
1914 • Bombay government resolution map places the boundary on the eastern bank of the creek but its para 10 speaks of the mid-channel being the boundary. All these areas were under the jurisdiction of the Bombay province		2008 • At the fourth round of the composite dialogue in Islamabad, the two sides agree on a joint map of the area, which had been worked out through the joint survey
APRIL-MAY 1965 • India & Pakistan armies clash in the Rann of Kutch	February 1968 • India-pakistan tribunal on the Kutch border gives its award, which upholds 90 per cent of India's claim. But it does not cover Sir Creek.	June 2012 • After dialogue resumes on the Sir Creek issue in New Delhi, the two sides "reiterate their desire to find an amicable solution of issue through sustained dialogue"
	1997 • India and Pakistan resume composite dialogue and, among the issues, is the resolution of the Sir Creek dispute

- a) 1, 2
 b) 1, 3
 c) 2, 3
 d) **All the above**

Explanation

Bangladesh is one of the most important neighbours of India. Bangladesh is also a key partner to India in the South Asian region, and is crucial both for stability in the north-eastern region and as a bridge to South-East Asia. It is an important lynchpin to India's 'Look East' policy. In 1970, the Bengali Awami League Party won the Pakistani National Elections. But West Pakistan refused to

recognize the election results and used brutal force to suppress the agitation by the Awami League Party. This situation led to near war scenario, with armed east Bengalis forming the Mukti Bahini (freedom force). India's support to the Mukti Bahini by training and the supply of arms, became imminent with millions seeking refuge in India.

52. When did Bangladesh emerged as an independent state?

- a) **December 1971**
- b) August 14 1973
- c) December 1974
- d) December 1972

Explanation

- a) 1, 2
 - b) 1, 3
 - c) 2, 3
 - d) All the above

Explanation

Connectivity is an issue of mutual interest as these initiatives on passenger and goods trains will be of benefit to both Bangladesh and northeast India. Dhaka also has the central role in shaping the future of sub-regional cooperation with Bhutan, Burma, India and Nepal. It is also a land bridge to East Asia and the fulcrum of a future Bay of Bengal community. However, the most important issue in contemporary Asian geopolitics is transit and connectivity. In 2016 when Chinese President Xi Jinping visited Bangladesh, it agreed to join the Belt and Road Initiative (BRI). China is already investing in a number of infrastructure projects in the country including the deep sea port at Chittagong. It is likely that these projects will now be subsumed under the BRI project which is the matter of concern for India.

- 1) China's perception of India as a threat to its rule of Tibet became one of the most prominent reasons for the Sino- Indian War.
 - 2) In October 1961, India realised that it was not ready for war after a clash between the two armies at Kongka Pass
 - 3) On October 20, 1962, China's People's Liberation Army invaded India in Ladakh, and crossed the McMahon Line in the then North-East Frontier Agency
- a) 1, 2
 - b) 1, 3**
 - c) 2, 3
 - d) All the above

Explanation

China's perception of India as a threat to its rule of Tibet became one of the most prominent reasons for the Sino-Indian War. In October 1959, India realised that it was not ready for war after a clash between the two armies at Kongka Pass, in which nine Indian policemen were killed, the country assumed responsibility for the border and pulled back patrols from disputed areas. On October 20, 1962, China's People's Liberation Army invaded India in Ladakh, and crossed the McMahon Line in the then North-East Frontier Agency. Till the start of the war, the Indian side was confident that war would not be started and made little preparations. India had deployed only two divisions of troops in the region of the conflict, while the Chinese troops had three regiments positioned.

88. How many lives were claimed by Sino- Indian war?

- a) 2 lakhs
- b) 20000
- c) 2000**
- d) 200

Explanation

In 1962, the world's two most populous countries went to war. The Sino-Indian War claimed about 2,000 lives and played out in the harsh terrain of the Karakoram Mountains, some 4,270 meters (14,000 feet) above sea level.

89. By which conference Sino Indian war came to an end?

- a) **Colombo conference**
- b) Shimla conference
- c) Dispur conference
- d) Beijing conference

Explanation

After hundreds of more deaths and an American threat to intervene on behalf of the Indians, the two sides declared a formal ceasefire on November 19, 1962. The Chinese announced that they would "withdraw from their present positions to the north of the McMahon Line." Thus, the India-China War of 1962 ended and Colombo Conference was convened by Non-Aligned activist to resolve the dispute amicably.

90. Which of the following countries mediated in Colombo conference?

- 1) Burma
- 2) Cambodia
- 3) Egypt
- 4) Ghana
- a) 1, 2, 3
- b) 1, 3, 4
- c) 2, 3, 4
- d) **All the above**

Explanation

Pursuant to growing tension between India and China and the war, Mrs. Sirimavo Bandaranaike convened what came to be known as the Colombo Conference, bringing together the leaders of Burma, Cambodia, Egypt, Ghana and Indonesia to mediate and reach a possible solution to the conflict between the two Asian giants. India accepted the principles of the Colombo Conference in toto while China accepted them in principle, as the basis to start negotiation.

91. Since when India and China have been involved in a full-fledged bilateral trade relation?

- a) 1991
- b) 1993
- c) **1992**
- d) 1999

Explanation

Since the mid-1980s, India and China started having a closer bilateral economic relation. The process of dialogue initiated by the governments of the two countries helped in identifying the common trade interests. In 1984, India and China entered into a Trade Agreement, which provided them with the status of Most Favoured Nation (MFN). Since 1992, India and China have been involved in a full-fledged bilateral trade relation.

92. Which Indian Prime minister signed Agreement on the Maintenance of Peace and Tranquility along the Line of Actual Control (LAC) on the India-China border?

- a) Narendra Modi
- b) Vajpayee
- c) **Narasimha Rao**
- d) Manmohan Singh

Explanation

Even until this day, the 1962 Sino-Indian War is a widely debated topic. The end of the war threw a new boundary line between India and China known as Line of Actual Control (LAC). In 1993, an Agreement on the Maintenance of Peace and Tranquility along the Line of Actual Control (LAC) on the India-China border Areas was signed during Prime Minister Narasimha Rao's visit to China. The LAC continues to be a matter of irritation between both countries

93. What was the position of India in terms of Export to China?

- a) 1st
- b) 2nd
- c) 5th
- d) **7th**

Explanation

India was the 7th largest export destination for Chinese products and the 27th largest exporter to China. India's top exports to China included diamonds, cotton yarn, iron ore, copper and organic chemicals.

94. What was the Chinese investment in India till March 2017?

- a) **US\$ 4.91 billion**
- b) US\$ 4.91 million
- c) US\$ 705 million
- d) US\$ 705 billion

Explanation

China's top exports to India include electrical machinery, equipment, fertilizers, Chinese antibiotics, Chinese organic chemicals. The cumulative Chinese investment in India till March 2017 stood at US\$ 4.91 billion and the cumulative Indian investment in China till March 2017 reached US\$ 705 million.

95. Which of the following statement is correct?

- 1) In the international arena, India and China are competitors for resources.
 - 2) Despite the widespread competition, India and China have also found some real convergence of interests.
 - 3) India and China also play a significant role in the WTO and global trade negotiations in the hope for getting better leverage for the developing world over developed states.
- a) 1, 2
 - b) 1, 3
 - c) 2, 3
 - d) All the above

Explanation

In the international arena, India and China are competitors for resources. Investments in many of the developing countries by both these emerging Asian giants are all to meet the increasing economic demands of India and China. Despite the widespread competition, India and China have also found some real convergence of interests. Both the countries support for multipolar world order and resist interventionist foreign policy doctrines emanating from the West, particularly the United States. In addition, China and India also share wide ranging concerns on climate change, trade negotiations, energy security, and global financial crisis. India and China also play a significant role in the WTO and global trade negotiations in the hope for getting better leverage for the developing world over developed states.

96. In which of the following both India and China are members?

- 1) ASEAN
 - 2) SAARAC
 - 3) Shanghai Cooperation Organisation
- a) 1, 2
 - b) 1, 3
 - c) 2, 3
 - d) All the above

Explanation

In addition to this significant role, China and India are also partners in major international organisations like BRICS (Brazil, Russia, India, China and South Africa), ASEAN (Association of Southeast Asian Nations), EAS (East Asian Summit), SCO (Shanghai Cooperation Organisation), etc.

97. When did Sri Lanka got Independence from British?

- a) 1947
- b) 1949
- c) **1948**
- d) 1950

Explanation

Since the Independence of India in 1947 and Sri Lanka in 1948, both India and Sri Lanka enjoyed closer relations with each other. Sri Lanka is an Island which is in Southern tip of Indian mainland.

98. Assertion(A): Despite these closer relations, domestic developments in Sri Lanka has always had a negative impact on India's relation.

Reason(R): This negative impact is because of the ethnic crises between the Tamils and the Sinhalese and the Indian response towards this issue

- a) Both (A) and (R) are correct, but (R) does not explain (A)
- b) Both (A) and (R) are wrong
- c) **Both (A) and (R) are correct and (R) explains (A)**
- d) (A) is Correct and (R) is wrong

Explanation

Despite these closer relations, domestic developments in Sri Lanka has always had a negative impact on each other relations. The main reason for this negative impact is because of the ethnic crises between the Tamils and the Sinhalese and the Indian response towards this issue. Security interests and the shared ethnicity of Tamils living in southern India and in northern and eastern Sri Lanka are the two major factors in Indo – Sri Lankan relations

99. According to 1921 census how many principal races were there in Sri Lanka?

- a) 9
- b) **10**
- c) 13
- d) 3

Explanation

According to the 1921 Census, there were nearly 10 principal races, three pairs being subdivisions of larger groups, in Sri Lanka (then known as Ceylon). Of these three were principal races namely, the Low Country and Kandyan Sinhalese, the Ceylon and Indian Tamils, and the Ceylon and Indian Moors. Four other specified races were the Burghers, Eurasians, Malays and Veddas.

100. Which of the following statement is correct?

- 1) The predominant community Sinhalese, which is about three-quarters of the population, are Buddhist and Speak Sinhalese
 - 2) The Indian Tamils in Sri Lanka are also largely Hindus.
 - 3) The Muslims mainly of Tamil origin speak both Tamil and Sinhala.
- a) 1, 2
 - b) 1, 3
 - c) 2, 3
 - d) **All the above**

Explanation

The predominant community Sinhalese, which is about three-quarters of the population, are Buddhist and Speak Sinhalese. The Indian Tamils in Sri Lanka are also largely Hindus. The Muslims mainly of Tamil origin speak both Tamil and Sinhala.

101. When was the Ceylon citizenship act came into enforcement?

- a) 1991
- b) 1949
- c) **1948**
- d) 1950

Explanation

One of the first issues between India and Sri Lankan began with the Ceylon Citizenship Act of 1948, where the Plantation Tamils or Malayaha Tamizhar were deprived of their citizenship.

102. Which of the following statement is incorrect?

- 1) Since the end of Eelam War IV, India – Sri Lanka relations have been more constructive
 - 2) In the recent years the bilateral trade has increased manifold.
 - 3) The attack on the Indian fishermen continues and has become a regular occurrence
- a) 1, 2
 - b) 1, 3
 - c) 2, 3
 - d) **None**

Explanation

Since the end of Eelam War IV, India – Sri Lanka relations have been more constructive. In the recent years the bilateral trade has increased manifold. Nevertheless there are few major concerns both countries need to work out. Return of Sri Lankan Tamil Refugees continues to be a matter of concern. Unless, there is favorable political situation in Sri Lanka, refugees will not return to their homeland. The attack on the Indian fishermen continues and has become a regular occurrence.

There have been many suggestions to solve this crisis, including deep sea fishing, lease in perpetuity of Katchatheevu, alternate day fishing by Indian and Sri Lankan fishermen, etc., but sadly none of these suggestions have seen the light of the day.

103. With which country help Sri Lanka gave India geo-strategic pressure in the case of Ethnic crisis?

- a) Japan
- b) USA
- c) Pakistan
- d) **China**

Explanation

Ethnic crisis in Sri Lanka has enormous impact on India- Sri Lanka relations due to large Tamil speaking population in southern India as well as the attempts by Sri Lanka to balance India's influence with the Tamils in Sri Lanka by building geo-strategic pressure by engaging the West or the Chinese selectively. Sri Lanka is critical to India's coastal security and its interests in the Indian Ocean Region. Any presence of external powers will hence have drastic impact on its defence and security.

104. Over how many Tamils were made stateless by Ceylon Citizenship Act 1948?

- a) 2 lakhs
- b) **7 lakhs**
- c) 13 lakhs
- d) 9 lakhs

Explanation

In 1948, immediately after the country's independence, a controversial law labelled the Ceylon Citizenship Act was passed in the Sri Lankan Parliament which deliberately discriminated against the Tamils of South Indian origin, whose ancestors had settled in the country in the 19th and 20th centuries. This Act made it virtually impossible for them to obtain citizenship and over 700,000 Tamils (consisting of up to 11% of the country's total population) were made stateless.

105. Which Indian Prime Minister signed with Bandaranaike to repatriate much of the population of the stateless Tamils?

- a) Jawaharlal Nehru
- b) Indira Gandhi
- c) Narasimha Rao
- d) **Lal Bahadur Shastri**

Explanation

In 1964, a pact was signed between Bandaranaike and the then Indian Prime Minister Lal Bahadur Shastri to repatriate much of the population of the stateless Tamils. Over the next 30 years, successive Sri Lankan governments were actively engaged in deporting over 300,000 Tamils back to India. It wasn't until 2003, after a state-sponsored programme against Tamils and a full-scale civil war, that Indian Tamils were granted citizenship but by this time, their population had dwindled to just 5% of the country's population. Tamils repatriated to India were assimilated with local population after taking Indian citizenships.

106. How many Sri Lankan refugee camps are there in Tamil Nadu?

- a) 53
- b) 107**
- c) 214
- d) 36

Explanation

Around 62,000 refugees, living in 107 camps across Tamil Nadu, have been receiving various relief measures of the Central and State governments. In addition, in recent years, the Tamil Nadu government has taken steps for scores of young boys and girls of the refugee community to join professional courses, particularly engineering. This has benefitted eligible candidates among 36,800 non-camp refugees in the State too.

107. Which state host largest number of Sri Lankan Tamil refugees in India?

- a) Kerala
- b) Tamil Nadu**
- c) Andhra Pradesh
- d) Telangana

Explanation

At present, for both India and Sri Lanka, the repatriation of refugees must be a priority. Tamil Nadu hosts the largest number of Sri Lankan Tamil refugees in India. It would be in the interest of both the countries to find the permanent resolution for this problem. While for India a longstanding problem would be resolved, for Sri Lanka it would be a step towards ethnic reconciliation.

108. Assertion(A): For refugees who want to stay back, India can consider providing them citizenship, as it did for refugees from Pakistan and Afghanistan

Reason(R): This can be achieved by filtering out any potential antisocial or anti-state elements, leading to the eventual closing down of refugee camps in Tamil Nadu.

- a) Both (A) and (R) are correct, but (R) does not explain (A)

- b) Both (A) and (R) are wrong
- c) **Both (A) and (R) are correct and (R) explains (A)**
- d) (A) is Correct and (R) is wrong

Explanation

The two governments can come out with a comprehensive package on voluntary repatriation, after involving representatives of the refugee community, the Tamil Nadu government and Sri Lanka's Northern Provincial Council. For refugees who want to stay back, India can consider providing them citizenship, as it did for refugees from Pakistan and Afghanistan. This can be achieved by filtering out any potential antisocial or anti-state elements, leading to the eventual closing down of refugee camps in Tamil Nadu. Such a process will bring an end to an episode that has lasted longer than the civil war of Sri Lanka.

109. To which kings Kachatheevu originally belong to?

- a) **Kings of Ramanathapuram**
- b) Kings of Udaipur
- c) Kings of Colombo
- d) Kings of Sankarankovil

Explanation

Kachatheevu originally belonged to kings of Ramanathapuram. No maps of Sri Lanka showed it as its territory. However, seeing its strategic location, Sri Lanka started claiming it. The issue was discussed some times during the meeting between Indian and Sri Lankan leaders.

110. Which Indian Prime Minister signed an agreement giving Kachatheevu to Sri Lanka?

- a) Jawaharlal Nehru
- b) **Indira Gandhi**
- c) Manmohan Singh
- d) Vajpayee

Explanation

In 1974 Indira Gandhi signed an agreement whereby Kachatheevu was given to Sri Lanka. Kachatheevu has a Catholic shrine and has been declared as a sacred area by the government of Sri Lanka.

111. Which of the following statement is correct?

- 1) **Kachatheevu is an uninhabited 285-acre island situated in between India and Sri Lanka in the Gulf of Mannar.**

- 2) The 1976 agreement had secured the rights of Indian fishermen only to dry their nets and use the Church for religious observance
- 3) Catholic shrine in Katchatheevu attracts devotees from both the countries
- a) 1, 2
 - b) 1, 3**
 - c) 2, 3
 - d) All the above

Explanation

Katchatheevu is an uninhabited 285-acre island situated in between India and Sri Lanka in the Gulf of Mannar. It has a Catholic shrine and has been declared as a sacred area by the government of Sri Lanka. The shrine attracts devotees from both the countries. This 1974 agreement had secured the rights of Indian fishermen only to dry their nets and use the Church for religious observance.

112. From which year onwards Indian fishermen do not have any right to even engage in drying of nets and use of Church?

- a) 1991
- b) 1974
- c) 1976**
- d) 2003

Explanation

In 1976, delimitation of International Maritime Boundary Line (IMBL) was agreed upon as required by the UNCLOS. With this, Indian fishermen do not have any right to even engage in drying of nets and use of Church because 1976 agreement superseded 1974 agreement. Since then our fishermen are facing innumerable problems.

113. What does the Nehru-Kotelawala Pact deal with?

- a) future of people of Indian origin in Ceylon**
- b) future of Indian and Sri Lankan fisherman
- c) Joint Military exercise
- d) Joint Navy exercise

Explanation

The Nehru-Kotelawala Pact was an agreement that was signed between Jawaharlal Nehru, the Prime Minister of India, and John Kotelawala, the Prime Minister of Sri Lanka, on 18 January 1954. It was an agreement regarding the status and future of people of Indian origin in Ceylon. They were brought by British from Madras Presidency in British India to work in tea, coffee and coconut plantations of British Ceylon.

114. Which of the following statement is correct about Nehru-Kotelawala Pact?

- 1) In the pact, India accepted in principle the repatriation of Indian population in Ceylon.
 - 2) India disagreed on Sri Lankan position that suggested granting Indian citizenship to people, who failed to qualify for Sri Lankan citizenship.
 - 3) Jawaharlal Nehru only supported voluntary repatriation of those who accepted Indian citizenship
- a) 1, 2
 - b) 1, 3
 - c) 2, 3
 - d) All the above

Explanation

In the pact, India accepted in principle the repatriation of Indian population in Ceylon. But Jawaharlal Nehru only supported voluntary repatriation of those who accepted Indian citizenship. India disagreed on Sri Lankan position that suggested granting Indian citizenship to people, who failed to qualify for Sri Lankan citizenship.

115. Which of the following statement is correct?

- 1) According to Joint Working Group on Fisheries (JWGF) data, 111 boats of Tamil Nadu fishermen and 51 Indian fishermen were in arrest or detention in Sri Lanka's Northern Province in 2019
 - 2) Due to the dearth of multi-day fishing capability, Indian fishermen cannot shift their fishing effort from the Palk Bay area to the offshore area way beyond the continental shelf
 - 3) In November 2019, an inter-ministerial delegation discussed terms for a joint working group, but the Sri Lankan delegation rejected India's request for a three years grace period
- a) 1, 2
 - b) 1, 3
 - c) 2, 3
 - d) All the above

Explanation

According to Joint Working Group on Fisheries (JWGF) data, 111 boats of Tamil Nadu fishermen and 51 Indian fishermen were in arrest or detention in Sri Lanka's Northern Province in 2019. Reasons include on-going disagreement over the territorial rights to the island of Kachchatheevu, and the damaging economic and environmental effects of trawling. Due to the dearth of multi-day fishing capability, Indian fishermen cannot shift their fishing effort from the Palk Bay area to the offshore area way beyond the continental shelf. Also, due to a gradual drop in fish count in the Indian waters, Indian fishermen are forced to wander into Sri Lankan waters as the catch is insufficient here. In November 2016, an inter-ministerial delegation discussed terms for a joint working group, but the Sri Lankan delegation rejected India's request for a three years grace period so that the government

can assist fishermen to move from bottom trawling fishing method to another sustained and effective method.

116. According to Shastri – Srimavo Agreement how many stateless people were given Sri Lankan

Citizenship?

- a) 5 Lakhs
- b) 3 Lakhs**
- c) 4 Lakhs
- d) 2 Lakhs

Explanation

Mrs Srimavo Bandaranaike visited India in 1964. After prolonged negotiations, an agreement was signed between Bandaranaike and Shastri.

™ It sought to solve the problem of 9 lakh 75 Thousand stateless persons in Sri Lanka using the following formula:

™ 3 lakh people will get Sri Lankan citizenship.

™ 5 lakh 25 thousand will get Indian citizenship. They were to move to India in a period spanning over 15 years.

™ Remaining 1.50 lakh stateless persons fate was to be decided later

117. Which of the following are correct about Diplomatic agreement between PM Rajiv Gandhi and

Sri Lanka 'President JR Jayawardane to solve the ethnic problem?

- 1) An autonomous unit comprising northern and eastern provinces (where Tamils are concentrated) would be constituted
 - 2) Sinhalese and English would be official languages of Sri Lanka
 - 3) Deployment of IPKF to guarantee and enforce cessation of hostilities between Lankan army and Tamil militants
- a) 1, 2
 - b) 1, 3**
 - c) 2, 3
 - d) All the above

Explanation

Diplomatic agreement between PM Rajiv Gandhi and Sri Lanka President JR Jayawardane to solve the ethnic problem.

™ An autonomous unit comprising northern and eastern provinces (where Tamils are concentrated) would be constituted. ™ Elections to provincial councils were to be completed by Dec 31, 1987 in the presence of Indian observers. ™ Emergency was to be lifted from northern and eastern provinces. ™ Tamil, Sinhalese and English would be official languages of Sri Lanka. ™ Deployment of IPKF to guarantee and enforce cessation of hostilities between Lankan army and Tamil militants.

Agreement was vehemently opposed by Sri Lankans and an attack was attempted on Rajiv Gandhi when he was inspecting guard of honour at Colombo airport.

118. Which Indian Prime Minister promised to build 50,000 house to Tamils in Northern and eastern province?

- a) Narendra Modi
- b) Jawaharlal Nehru
- c) **Manmohan Singh**
- d) Vajpayee

Explanation

The construction of 43,000 houses for resettlement and rehabilitation of IDPs in Northern and Eastern Provinces is part of the overall commitment to build 50,000 houses announced by Prime Minister Manmohan Singh during the State visit of the President of Sri Lanka Mahinda Rajapaksa to India, in June 2010, 47,000 have been completed until 2018. USD 350 million grant to build the houses was one of the largest grants by India in any country.

119. At which place Indian PM flagged a train service at Sri Lanka?

- a) Colombo
- b) Katchatheevu
- c) **Talaimannar**
- d) Ramapuri

Explanation

Indian PM flagged off a train service at the north-western Sri Lankan town of Talaimannar - the closest point to India - restored after decades of civil war, completing the reconstruction of the entire Northern Province Railway Line. Accompanied by Sri Lankan President Maithripala Sirisena, Modi also unveiled a plaque inaugurating Talaimannar 1650 Pier Railway station. The newly-constructed 63-km railway track is the last segment of the 265-km long, prestigious Northern Railway Line Reconstruction Project which is being executed by IRCON International Ltd., a Government of India owned company.

120. What part of Indian origin in Sri Lanka were agreed to give citizenship in Indian by Sastri?

- a) 1/3rd
- b) 2/3rd
- c) 1/4th
- d) 1/2

Explanation

During the period of Lal Bahadur Sastri's premiership an agreement was reached between the two nations in resolving the issues of Indian origin Tamils. India agreed to provide citizenship to two thirds of the people of Indian origin; But the ethnic conflict between native Tamils (Eelam Tamils) and the Sinhalese erupted into a protracted civil war, revolting a massive influx of Tamil refugees into India.

121. Which of the following move can make India and Sri Lankan a prime-movers in regional polity?

- 1) India can try to get back the island of Kachchatheevu at-least on "lease in perpetuity" or by negotiations.
 - 2) Permit licensed Indian fishermen to fish within a designated area of Sri Lankan waters and vice versa.
 - 3) Government will have to mark up a comprehensive plan to reduce the dependence of Indian fishermen on catch from Palk Bay
- a) 1, 2
 - b) 1, 3
 - c) 2, 3
 - d) All the above

Explanation

™ India can try to get back the island of Kachchatheevu at-least on "lease in perpetuity" or by negotiations.

™ Permit licensed Indian fishermen to fish within a designated area of Sri Lankan waters and vice versa.

™ There is a glaring need for institutionalisation of fishing in Indian waters by the Government of India so that alternative means of livelihood are provided.

™ Government will have to mark up a comprehensive plan to reduce the dependence of Indian fishermen on catch from Palk Bay. If these social issues can be sorted out. India and Sri Lankan can become prime movers in the regional polity.

122. Which of the following statement is correct?

- 1) India and Nepal are geographically close to each other.

- 2) Nepal's lowland areas are a part of the Gangetic plain and it occupies the central part of the Himalayan foothills and mountains that extends between China and South Asia.
- 3) one –eighth of its population are Buddhists and there is a small population of Muslims and Christians living in Nepal.
- a) 1, 2
 - b) 1, 3
 - c) 2, 3
 - d) **All the above**

Explanation

India and Nepal are geographically close to each other. Nepal's lowland areas are a part of the Gangetic plain and it occupies the central part of the Himalayan foothills and mountains that extends between China and South Asia. Nepal had been earlier the only Hindu Kingdom in the world. However, one –eighth of its population are Buddhists and there is a small population of Muslims and Christians living in the country.

123. Which of the following Indian state doesn't share boundary with Nepal?

- a) Sikkim
- b) Uttar Pradesh
- c) **Jharkhand**
- d) West Bengal

Explanation

Nepal and India share a border of over 1850 kms in the East, South and West with five states, Sikkim, West Bengal, Bihar, Uttar Pradesh and Uttarakhand sharing their borders. While Nehru always regarded Nepal as a sovereign state, at the same time it was considered as an integral part of India's security system.

124. When did India Signed Treaty of Peace and Friendship with Nepal?

- a) **July 31, 1950**
- b) July 13, 1951
- c) June 30, 1953
- d) June 30, 1955

Explanation

Occupation of Tibet by China in 1951 affirmed Nepal's importance in India's security umbrella. It was never a "threat from Nepal" but "threat to Nepal", that India could not afford. An important step towards establishing such an order was the signing of Treaty of Peace and Friendship between India and Nepal on July 31, 1950. India's overtures to Nepal went beyond the security interest. On the same day of signing Peace and Friendship Treaty, both the countries also signed Treaty of Trade

and Commerce. This agreement became a hallmark of close economic relations between both the countries.

125. Assertion(A): India's relations with Nepal in the immediate aftermath of independence of both the countries revolved around the political struggle between the King and the Rana'
Reason(R): India's advice did not seem to be making much impact on the Ranas, which forced New Delhi to adopt proactive stance and intervene directly in the Nepali situation.

- a) Both (A) and (R) are correct, but (R) does not explain (A)
- b) Both (A) and (R) are wrong
- c) Both (A) and (R) are correct and (R) explains (A)
- d) (A) is Correct and (R) is wrong

Explanation

India's relations with Nepal in the immediate aftermath of independence of both the countries revolved around the political struggle between the King and the Rana's, (Prime Ministerial clan of Nepal). While negotiating the 1950 Treaty India was also persuading Nepal's Rana rulers to liberalize their political system to become more democratic and accommodate a section of the population that was fighting to get political rights and freedom. However, India's advice did not seem to be making much impact on the Ranas, which forced New Delhi to adopt proactive stance and intervene directly in the Nepali situation.

126. Arrange the Prime Ministers of India in an order?

- 1) Indira Gandhi
 - 2) VP Singh
 - 3) Rajiv Gandhi
 - 4) Chandrashekar
- a) 1, 3, 2, 4
 - b) 1, 3, 4, 2
 - c) 2, 1, 4, 3
 - d) 1, 4, 2, 3

Explanation

India's approach to Nepal remained consistent ever after the death of Nehru. The subsequent Prime Ministers Lal Bahadur Shastri, Indira Gandhi, Rajiv Gandhi, VP Singh and Chandrashekar followed the same policies for Nepal. There were numerous bilateral visits taken by Prime Ministers of both countries to improve ties.

127. Which of the following South Asian country have never been formally colonized?

- a) Sri Lanka
- b) Nepal**
- c) Myanmar
- d) Bhutan

Explanation

Nepal, the only South Asian country to have never been formally colonized, is situated between India and China, two massive competing economies, each with a unique historical relationship with the Himalayan region. Post 1990's India has been following a twin pillar policy since restoration of the multi-party system. The pillars include constitutional monarch and multi-party democracy sustaining together. But this policy started experiencing strains with the beginning of new millennium due to two reasons, namely, the changing character of monarchy and the growing intensity of the Maoist insurgency.

128. When did Nepal declined to attend BIMSTEC military exercise?

- a) 2019
- b) 2018**
- c) 2017
- d) 2020

Explanation

Nepal and China finalized the protocol of their Transit and Transport deal. Nepal declined to attend BIMSTEC military exercise (MILEX 2018) hosted by India.

129. Which of the following statement is correct?

- 1) Republic of India and Nepal began their formal relationship with the 1960 Indo-Nepal Treaty of Peace and Friendship.
 - 2) India and Nepal share a common culture and terrain south of the Himalaya.
 - 3) At the people to people level, relations between India and Nepal are closer and more multifaceted than between India and any other country
- a) 1, 2
 - b) 1, 3
 - c) 2, 3**
 - d) All the above

Explanation

India and Nepal share a very special relationship with each other. They share a common culture and terrain south of the Himalaya. Bound by languages and religions, marriage and mythology, the

links of their civilizational contacts run through both the countries. At the people to people level, relations between India and Nepal are closer and more multifaceted than between India and any other country. - a) Nehru Policy
- b) Gandhian Policy
- c) **Gujral Policy**
- d) Indira policy

Explanation

While dealing with smaller neighbors like Maldives, India needs to become a lot more magnanimous, staying true to its own "Gujral Doctrine," thus creating greater confidence.

Gujral Doctrine of Reciprocity

The Gujral Doctrine is a set of five principles to guide the conduct of foreign relations with India's immediate neighbours as spelt out by I.K. Gujral, first as India's foreign minister and later as the Prime Minister. Among other factors, these five principles arise from the belief that India's stature and strength cannot be divorced from the quality of its relations with its neighbours. It, thus, recognises the supreme importance of friendly, cordial relations with neighbours. These principles are:

importance of friendly, cordial relations with neighbours. These principles are:

- ❖ First, with neighbours like Bangladesh, Bhutan, Maldives, Nepal and Sri Lanka, India does not ask for reciprocity, but gives and accommodates what it can in good faith and trust;
- ❖ Second, no South Asian country should allow its territory to be used against the interest of another country in the region;
- ❖ Third, no country should interfere in the internal affairs of another;
- ❖ Fourth, all South Asian countries must respect each other's territorial integrity and sovereignty; and,
- ❖ Finally, they should settle all their disputes through peaceful bilateral negotiations.

According to Gujral, these five principles, scrupulously observed, will recast South Asia's regional relationship, including the tormented relationship between India and Pakistan, in a friendly, cooperative mould.

Under the guidance of then Prime Minister Rajiv Gandhi, India responded with an overwhelming speed and efficiency.

204. In which Airport Indian Air force landed?

- a) Male
- b) Colombo
- c) **Hulhule**
- d) Marutius

Explanation

Indian Troops were in the Maldives within hours of receiving the message from President Gayoom. At 15:30 hours on 3 November 1988, India approved the dispatch of troops to the Maldives. Troops were deployed in one swift motion. Less than 16 hours since President Gayoom's SOS call, Indian paratroopers were en route, leaving from the Agra Air Force Station on an Ilyushin Il-76 aircraft. After a journey covering over 2,500 kilometres, the aircraft of the 44 Squadron of the Indian Air Force landed at Hulhule Airport. Barely a kilometre from the besieged capital, the troops quickly began their advance into the capital. While the PLOTE militants seized many key points across the city, the one area they had forgotten to keep an eye on was Hulhule Airport. With no one keeping watch over this point of entry, Indian troops landed, and quickly took control of the airport. They then made their way into the capital using commandeered boats and rescued President Gayoom, driving out the militants. The mission was concluded with no casualties to the Indian side. Operation Cactus was testimony to the fact that India could play a role in ensuring security in Asia. India's swift, decisive action was hailed by the international community, ranging from US President Ronald Reagan to Margaret Thatcher.
